- I am using only terminal for developing.
- Author of blog: alchemmist.xyz

Open Source

Source code of project is open to see for everyone.

Open to copy? Open to appropriate? Open to sell?

«It's a bit sad to think of all the high school kids turning their backs on building treehouses and sitting in class dutifully learning about Darwin or Newton to pass some exam, when the work that made Darwin and Newton famous was actually closer in spirit to building treehouses than studying for exams.»

Paul Graham

Essay A Project of One's Own, June 2021
